Front-End Developer and 3D Artist with 3+ years of experience in 3D product modeling, texturing, and rendering. Skilled in building responsive web interfaces using React.js, Tailwind CSS, JavaScript, HTML, and CSS. Strong visual design background combined with technical development skills to create high-quality digital experiences and production-ready 3D assets.

Work Experience

3D Artist

AdvertFlair 3D Studio | Chennai

Oct 2023 - Feb 2025

- Enhanced 3D asset quality using advanced texturing techniques, achieving significantly improved visual fidelity and increasing user engagement.
- Created over 50 detailed 3D models for advertising campaigns and VR applications, consistently delivering high-quality assets on schedule.
- Worked on texture mapping, UV unwrapping, and material creation.

Junior 3D Artist

Zealous Services | Chennai

Jan 2022 - Sep 2023

- Successfully completed an internship and earned promotion to a full-time position.
- Designed 3D product assets using Blender, Photoshop, and Substance Painter.
